A relationship of faith and commitment exists between the Catholic Church and its members and the public, whether they are children, young people, adults or elderly. Sexual abuse in this context, or any other relationship, is a matter of grave concern. Knowledge of such abuse requires a special response in order to facilitate the healing process and assure the safety of the community. With this in mind, The Diocese of Pensacola-Tallahassee is committed to healing the hurting hearts of sexual abuse victims and has established Victims Assistance Coordinators, experienced and trained counselors. These coordinators are available to help persons who have been sexually abused by a priest, deacon or other church personnel. VICTIM ASSISTANCE COORDINATORS: Pensacola/Ft. Walton Beach area: Dr. Lewis Makarowski, PhD, P.A. (850)477-7181. Tallahassee/Panama City area: James Gagnon, MSW, LCSW (850)877-0205. For Spanish speakers - en Espanol: Deacon Santiago Molina, (850)627-2350.

## Toddler Bags

We love children here at Nativity! We especially love to see (and sometimes hear) them with us in Mass! But we know that it can be a little difficult to keep them engaged during the liturgy.

Beginning next weekend, Sept. 23rd & 24th, you will see drawstring bags near the doors.

These are activity bags for use during Mass for children aged 2-4

If you would like to use them, PLEASE SIGN THEM OUT AND RETURN THEM at the end of the liturgy. Thank you!

**You Are Invited To Join Us**

**Nativity of Our Lord's Saint Vincent de Paul Conference** invites you participate in one of our important ministries. If you could give an hour of your time, we are in great need of volunteers to join us at Arcadia Health and Rehab (10095 Hillview Drive is just past the second large apartment complex going up the hill towards Azalea Trace). On the second Friday of every month, one of our (crafty) members prepares an activity to do with the residents, and the rest of the volunteers (some who aren't so crafty) just show up to help the residents with the craft. This is a wonderful way for us to interact with the infirmed and elderly residents, who truly are our neighbors in our community. Please come share the Love of Christ with your neighbors and fellow parishioners. You do not need to be a SVdP member to participate and do not have to commit to every month. We meet at 10:00 and are usually done in an hour. If you would like more information, please contact Bonnie Johannemann ([bjomann@gmail.com](mailto:bjomann@gmail.com), 995-4848) or Grace Crawford ([gracejack@cox.net](mailto:gracejack@cox.net), 476-6870).

## BISHOP BILL GIVES PERSPECTIVE IN LIGHT OF HURRICANE IRMA

In this time of ongoing crises, such as the international tensions with North Korea and recent domestic issues surrounding childhood immigration through the DACA program, we are faced with Hurricane Irma, just weeks after the devastation of Hurricane Harvey. Floridians braced for the potential impact of this storm and Governor Rick Scott declared a state of emergency across Florida. In light of these troubling difficulties and concerns, Bishop Bill Wack is encouraging all people to lean on one another, stay informed, and trust in God. "In the midst of our uncertainty and angst, we join our ancestors, for whom the storms of nature seemed just as ominous," said Bishop Bill, who became the 6th bishop of the diocese August 22. "We have each other, and that's our greatest asset—we must lean on our community, and offer each other the strength of love and compassion." In the past few weeks schools and parishes in the Diocese of Pensacola-Tallahassee rallied to the aid of those who were impacted by the wreckage of Hurricane Harvey, which came ashore as a category 4 storm Friday, August 25, and caused record breaking flooding and massive homelessness throughout the region. Supplies and donations poured into four school distribution points last Friday, which included St. Paul Catholic School, Sacred Heart Catholic School, Little Flower Catholic School, and St. John the Evangelist School. The truckloads of emergency aid are in the process of being delivered to hard-hit areas of Texas this week. Additionally, an emergency collection was taken by parishes within the diocese the weekend of September 9/10, and these funds are being used to support humanitarian recovery efforts of Catholic Charities USA, which works with a variety of agencies nationwide to help people through both the immediate and the long-term process of recovery and restoration after a natural disaster. Bishop Bill pointed to Psalm 46, which addresses the formidable power of nature as well as human caused disasters. "The entire Psalm speaks to our modern situation," said Bishop Bill. "The Psalm begins with the reassurance that, God is our refuge and strength, a very present help in trouble. Therefore, we will not fear, though the earth should change, and though the mountains slip into the heart of the sea." "We've seen amazing acts of heroism with Hurricane Harvey," he added. "We have the same courage and resolve here in Florida."
